

MISSION

The mission of Laredo Young Professionals is to develop leadership skills, to encourage youth to succeed; to promote a business friendly environment among its members, and give back to our community through social work.

GOALS

- To attract young people to get involved with the Laredo community and do more than the ordinary
- Help beautify the city through a variety of community projects
- Serve as an Ambassador for highlighting Laredo's appeal to young people
- Get involved with events in different sectors such as education, health and quality of life, civic engagement and more

Membership Dues
